<i>Pool Competitions</i>		
R10	During the backstroke flipturn, additional independent kicking and gliding is allowed after the swimmer rolls past vertical. This is a significant departure from the USA-S and FINA rules.	Failed
R11	For SCY meets, your age group will be determined by your age on Dec 31 rather than your age on the last day of the meet. This is the same as the current rule for SCM and LCM meets.	Failed
R12-R13	The age group for SCY relays will be determined by the cumulative ages of the four swimmers, and will be grouped into the same age groups as meters competitions: 72-99, 100-139, 140-179, etc. Currently SCY relay age groups are determined by the age of the youngest swimmer on the relay.	Failed
R18	Swimsuit rule for SCY meets: anything is allowed, no restrictions on either coverage or material. All "tech" suits are allowed, as are wetsuits.	Failed
R19	Swimsuit rule for SCY meets: only textile materials, but zippers are allowed and both men and women will be allowed coverage from knees to neck.	Failed
R48	Allows splits and leadoffs recorded with 2 buttons or 2 watches to count for Top 10.	Passed as amended
R49	Allows swimmers to submit initial split requests for non-backstroke individual events up to 30 days after the meet. Currently the request must be submitted by the end of the meet.	Withdrawn
R54-5	Expansion on All-American status to top 5 times in individual events and top 3 times in relays. Currently only the swimmers with top-ranked times earn AA distinction.	Failed
