Newsletter: Cheryl Benn has volunteered as “The Wet Gazette” editor for our LMSC she will connect with Heather Stevenson former editor to discuss details to get a quarterly digital newsletter started.

Website: George updated board on changes to our website. In our November meeting the board agreed that George can pursue changing our Host for our current website to something more user friendly. George stated this will be a gradual process and with the Domain change our current Vaswim.org will most likely change. We would be redirected to new site.

Officials: The officials chair remains vacant. There continues to be a need for officials to work for Masters meets within our LMSC.

Coaches Clinic: There is an interest for Coaches clinics to be held in 2025. Board recommended talk to be tabled till Alice Phillips ( Coaches Chair) could be part of the dialogue.

Carl presented a need for volunteers for upcoming LMSC leadership weekends for Annual Meeting September 12-14th and for Relay Event October 24-26 in Kansas City Missouri. Caycee Buscaglia indicated she was interested in attending annual meeting and that Barbara Boslego was interested in attending Relay.
